

# HOWARD GOODMAN

## FRESHER AND NLP ENGINEER

### PROFESSIONAL PROFILE

I am a fresher who absolutely loves working on anything vaguely related to Machine Learning. I am well acquainted with using State-of-the-art NLP models like Bert, XLNet, and GPT-2. I have also worked on data exploration.

### PROFICIENT SKILLS

Machine Learning, Natural Language Processing, Deep Learning, Sentiment Analysis, Python, NLTK, BeRT, GPT, XLNet, Text Analysis, Text Extraction, OCR.

### ACHIEVEMENTS AND EXTRA CURRICULARS

Tensorflow and keras Certified

### PROJECTS

Made a embedded device that converted ASL to voice and vice versa in real-time.

### EMPLOYMENT HISTORY

#### Zynta Labs

NLP Developer Intern, Apr 2019 - Nov 2019

As a part of the NLP development team, I took part in building different pipelines training and evaluation of different textual data.

### EDUCATIONAL HISTORY

B.TECH(Electrical) Rajiv Gandhi Memorial University, Delhi, 2020.
