

# MAYA HAYDEN

GRADUATE RESEARCHER

## PROFILE

I'm passionate learner with a knack for Artificial Intelligence. The kind of problems AI can solve, fills me with enthusiasm to learn more and contribute more. I have dedicated more than a year developing and training Machine learning Models across several projects.

## SKILLS

Data Science, Data Analysis, Deep Learning, Machine Learning, Artificial Intelligence, Python, MATLAB, NLP, Computer Vision, Keras, Pytorch, RNN, Keras.

## EXPERIENCE

### IIT Labs

Associate Researcher, May 2019 - till date  
Worked as an Artificial Intelligence Researcher in IIT for more than a year developing and working on SoTA models and tuning them for publications purposes.

## EDUCATION

**B.Tech IIT Kharagpur, 2017**  
**M.Tech IIT Kharagpur, 2019**

## PROJECTS

Image Captioning  
Sentiment Analysis  
Visualization using Principle component analysis

## ACTIVITIES

PyTorch Developer - Pytorch Academy
