

KHOLE MOORE

GRADUATE RESEARCHER

PERSONAL PROFILE

Graduate Research Assistant and currently working as an Analyst intern. Proficient in building data models and using Neural Network architectures on them. Want to work as a Machine Learning Production Engineer.

SKILLS

Machine Learning Engineer, Data Analyst, Natural Language Processing, Deep Learning, Reinforcement Learning, Tensorflow, Keras, Scikit Learn, Numpy, Pandas, Matplotlib, Python.

PROJECTS

Emotions Analysis using a variable detection engine in real time.

WORK BACKGROUND

Larsen & Toubro
Analyst Intern, Jul 2019-Till Date

Building OCR Models based on test report data

EDUCATION

B.Tech(Electronics/Telecommunication) from AMIT, Bijnor in 2017
M.Tech (Advanced Analytics) from KVIT, Pilani

OTHER ACTIVITIES

Research Assistant & Teaching Assistant at KVIT
Gold Medalist at AMIT
