

BRYCE WALKER

FRESHER MACHINE LEARNING ENGINEER

ABOUT

As a recent graduate, I am looking for roles that challenge me and feed my craving for learning. I can easily adapt to new technologies, understand and work with a variety of people, and always looking to solving business problems in much more technology sophisticated ways.

SKILLS

Machine Learning, Deep learning, Logistic Regression, k-means clustering, LSTM, Emperical Modelling.

PROJECT

Handwriting detection in real-time.

OTHER QUALIFICATION

To cluster Quality of vegetables based on size, color and produce time.

WORK EXPERIENCE

Absolutdata Research & Analytics
Machine Learning Intern, Jan 2020 to Till Date

Implemented a research paper by Shang Huan on EMD algorithm for time series forecasting by creating a hybrid model using Empirical Mode Decomposition and Long Short Term Memory Neural Networks.

EDUCATION

B.Tech(Computers) from Inderprastha Engineering College Ghaziabad in 2020
