CAMILLA BROWN

GRADUATE FRESHER

ABOUT

I am a graduate software developer who has a good understanding of Text analysis and Image Processing. Also trained in creating data pipelines and deplyoing them on cloud platforms like AWS and Azure.

SKILLS

Machine Learning, Software Development, Text Analysis, Natural Language Processing, Image Processing, Python, Data Management, Scikit Learn, C, C#, .NET, SQL.

PROJECT

Separating passengers based on distance using k-means.

OTHER QUALIFICATION

Data Science with Scikit-Learn.

WORK EXPERIENCE

HS Institute
TRAINEE, MAY 2019-OCT 2019

Created data pipelines for pre-trained models in order to make them learn from new data and coalesce with our demands.

EDUCATION

B.Tech(Computer Science), 2020, Punjab Technical University.
